**100 Word Summary for RAD marijuana initiative**

This initiative is 100% complete legalization of marijuana, unlike the phony baloney Safer Arizona initiative. It forbids the government from taxing or regulating marijuana. It gives complete, automatic pardons to anyone convicted of a marijuana crime, civilly punishes government employees who violate a person marijuana rights, forbids extraditing for marijuana crimes, forbids the government from discriminating against marijuana users and requires the courts to accept cases involving marijuana.
